## DEDICATION

The Junior Class of 1947 wishes to dedicate the CARDINAL to the idea of progress through education. We have chosen as our motto "Tomorrow Lives in Today." We feel that our motto applies not only to us as students but to all men, living today, dreaming of tomorrow, and shaping that tomorrow from the raw material of the present. We can help to mold the new world, for our task is to guide and inspire children. Our college courses have given us the means to do our work well, and for that we are sincerely grateful. It remains for us to give substance to the dream of tomorrow.

## ALMA MATER

As the evening shades are falling,  
And the day fades into night;  
Pause a moment in the gloaming  
To salute the Red and White.

Flag of red, our badge of courage,  
With your gleaming letters white;  
Emblem of our Alma Mater  
Guide us onward toward the right.

Though our ways may part forever,  
In our hearts there shall be bright  
All the golden memories gathered  
'Neath the Banner Red and White.

## OUR PRESIDENT

Dr. Charles C. Ward

Each year our college enriches its tradition and plans anew for the years that lie ahead. The 1947 C A R D I N A L records this growing tradition and visualizes for all of us the ever-expanding future of our college. For students and faculty these pages mirror the ever-flowing current of our college life.

The memories which our yearbook so vividly recall will be ever more alive as we turn these pages again and again. From the memory of yesterday and today comes the plan for the greater future which our college will achieve. Thus the future becomes a part of the present.

The annals of our yearbook commemorate most aptly our life together. The blending of past, present, and future dramatizes for all of us the wealth which comes from our common association. In this, my greeting to you, it is a privilege to read of your happy yesterday, to know of your understanding of our college today, and to envision with you our shared hope of what the college may become.

CHARLES C. WARD

## In Memoriam

Dr. Walter L. Taylor

No words can express our grief at the loss of our dearly loved adviser, Dr. Walter L. Taylor.

More than an adviser, he was indeed our friend, guide, teacher and counselor. As director of the Laboratory School, he had more than enough to occupy his hours; yet he always made time for us, his Juniors. His kind understanding and warmth was radiated to all who sought his help.

Doctor Taylor was a man who was loved and respected not only by the Junior Class, which he so ably advised, but by the entire student body and all those who knew him.

He will be greatly missed and never forgotten.

# THE JUNIOR CLASS

"We are the class of '48 of  
ald P. S. T. C.—"

Can it be possible that we are  
Juniars? Our Frash days gone  
—but not our determination to  
moke the Class of '48 a truly  
outstanding one.

As Frosh we boasted a mem-  
bership of 212—including our  
Cadet Nurses—the largest in  
the history of the Callege. Re-  
member the first registration  
day—those weeks of initiation  
(we all survived, thank yau),  
apple-picking, then those mid-  
years—cramming—the first re-  
port cards (remember that day!)  
We had as our class president  
Naomi Venoble.

# THE JUNIOR CLASS

The Sophomore year found us back in the groove—vowing to work harder. We had lost our Cadet nurses who went to Watertown, Ogdensburg, and New York.

•

Naomi Venable again led us capably through our Sophomore year.

The memory of our Junior Week—that super banquet lingers with us still as we round the final curve in our Junior year.

•

We are now truly upper-classmen, looking forward to the final year in our Alma Mater.

## OUR COLLEGE . . .

Our College. Not only have we become a part of it—it has become a part of us, a never-to-be forgotten segment of our lives. Just as it has helped us to grow, we have helped to build it from a Normal School of five years ago to a College of high standing. We pledge ourselves to the successful fulfillment of the many bigger and better plans for our College as a real part of the better future for which we are striving.

## JUNIOR CLASS SONG

Our Alma Mater, we sing to thee;  
Banner of courage, loyal we will be.  
Dear Alma Mater, blest be thy name;  
Our Teachers College, we will sing  
thy fame.  
We are the Class of '48 of old P.S.T.C.

Though soon we may be far away,  
we'll always faithful be  
To the dusty rose and silver; they're  
the colors, you will find.  
We'll be true to them too, for they'll  
stay in heart and mind.  
For anything and everything you'll  
find this to be true—  
We will strive for the best in every  
thing we say and do.  
And with the light that's shining  
bright, you'll keep us close to  
thee;  
In golden mem'ries you will stay—

Our future Juniors—surely they will be an industrious and loyal part of our college.

The Freshmen were tortured again by the superior Sophs during initiation which ended with the usual tug-o'-war across the campus pond.

The Class of '49 sponsored the traditional Saphamare Soiree, which was an undeniable success. This class will never fail the glory that is P.S.T.C.

In the fall came the Freshman Class—not really scared but just a little doubtful. Do we really have to know all those rules, and what happens when we go to court? What beautiful weather for pulling up dandelions, and we can write home and tell Mam and Dad that we are digging hard!

The days which passed so slowly at first began to glide by faster and faster with a Hallowe'en party, Thanksgiving vacation, and Christmas festivities marking the traditional red-letter days. And soon the first term was over, and it was time to initiate a new class of Freshmen. It was also time for report cards—those little pieces of cardboard so packed with meaning. After that blow, nothing worse could happen. And so, having passed the first hurdle, the not-so-green Freshmen are looking ahead expectantly to the rest of their college life.

The House of Delegates is an example of representative government working on a small scale. All the classes and the clubs of the College send one or more delegates to the House. The members discuss and vote on matters that concern the students, sometimes referring questions to the entire student body. In this way the students are given the privileges and responsibilities of self-government.

# STUDENT COUNCIL

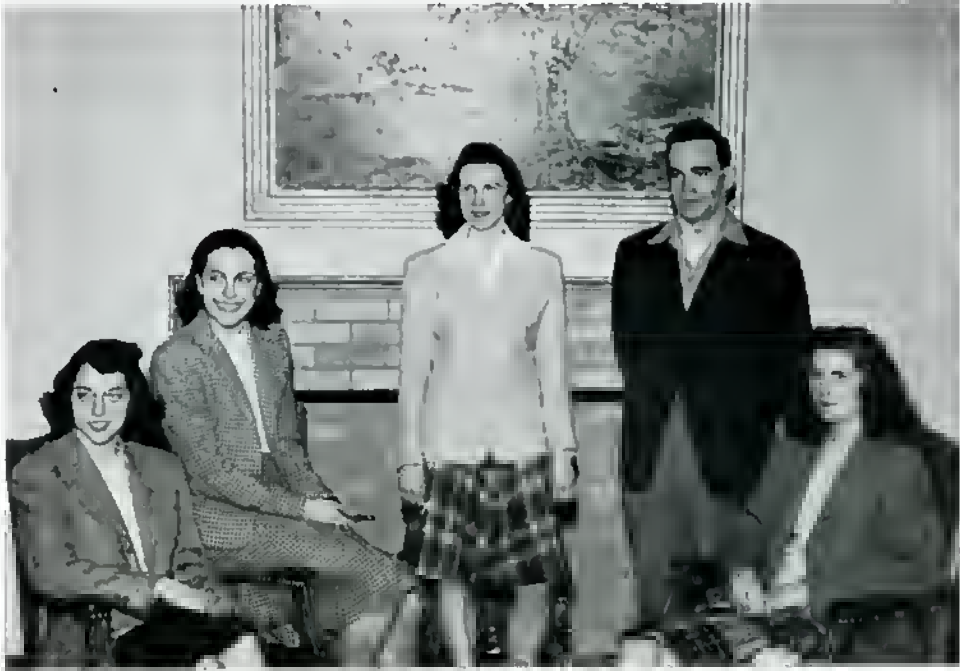

*Left to right—Helen Sanborn, Dorothy White, Bertha Roessler, Ruth Pfaffenbach, Sally Duignan, Carol Ricketson*

The members of the Student Council, elected from the House of Delegates, act as the executive body of our Student Government. The members of the Council include the officers of the House and the chairmen of the three standing committees.

It is the function of the Council to act as an advisory and executive body to the House of Delegates.

# ASSEMBLY COMMITTEE

*Nilah Mayette, Esther Triumphu, Ruth Campbell, Edward Dwyer, Sally Dignan (chairman),  
Agnes Blazick (absent)*

The members of the Assembly Committee arrange the year's assembly program for the students at P. S. T. C. They choose as speakers men and women notable in various fields. Some of the outstanding assemblies of this year were those presented by Miriam Marmein, pantomimist; Langston Hughes, poet; and Agnes Davis, soprano.

## SOCIAL COMMITTEE

*Mary Jane Dillon, Robert Laneto, Carol Ricketson (chairman), Muriel Ferraro, Joan Lovelady (absent)*

The Social Committee is a group chosen from members of the House of Delegates to direct social activities in which all students in the College participate. Such events include the All-College Picnic held in September, the Hallowe'en Party, and dances.

# WOMEN'S RESIDENCE BOARD

*Third row—E. Butch, E. Shultis, L. Kory, J. Lovelady, B. Oshorn, J. Monaghan, T. Farley,

Second row—M. Ferraro, P. Gilbert, M. Yurch, G. Cocurcia, S. Owens, T. McGowan  
Front row—L. Wilson, M. A. Gibbons, E. Shaw, J. Hewitt*

The members of the Women's Residence Board see that all runs smoothly in the houses where the college women stay. The board is made up of house presidents, who are chosen by the girls living together in a house. The house presidents' main task—and it's a big one—is checking the comings and goings of the students.

The CARDINAL staff needs no introduction, for you, the reader, have the tangible results of its efforts before you. The staff has tried to select and present those features of the CARDINAL which the students have enjoyed in the past, at the same time utilizing new ideas to make the book distinctly its own. It hopes that from these pages a true picture of life at P. S. T. C. and an understanding of the warmth and good fellowship which surround this life can be gained.

Rushing for an interview, rushing for a deadline, rushing for a typewriter—that's the life of a newspaperman (or woman)!

The staff of the *Northern Light* is kept busy finding facts, writing them down, and getting them out to the rest of the College.

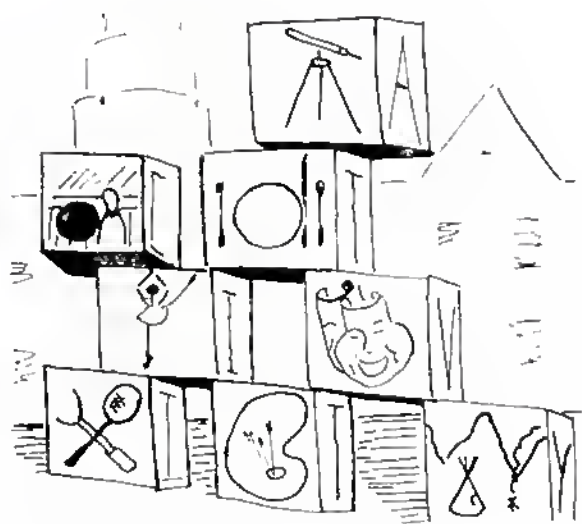

The *Northern Light* continues to keep each student posted on college affairs. It makes us aware of the part we play to make our college life all that we hoped for.

Our sororities join forces—three delegates from each sorority—in the Interfraternity Council. The Council determines rules for rushing and initiation although some hapless pledges may think the sky's the limit when Hell Week comes. This year the social hour—strictly an emergency measure—was replaced by the traditional Interfraternity Dance.

“All Hail Clio—.”

And that is what we do hail—Clio—symbol of fortitude, fraternity, and fun. Remember our cider and donuts to welcome the freshmen, and our hot dogs and gingerale at our beach party for the rushees. And from our new friends we choose pledges to become our sisters, who will carry on the good name of Clio with her usual traditions of good times and pleasant learning. The Pledge Banquet and its splendor, our parties, assembly, and Farewell Breakfast in June truly emphasize the value of Clio to its members. All working together from October to June making Clio doings Clio fun.

Another year of fun and friendship with the Alpha Delts.

The traditional "Coketail Party," saying "Hello" to the freshmen. The rush party had a new theme this year: "Dessert in Hollywood." Such fantastic hat creations were never before displayed!

"How Did It Happen?" was presented by the Alpha Deltas for their annual assembly, bringing to the student body the stories behind certain well-known songs.

The pledges of the Purple and White dined through their Pledge Banquet and dragged through their Hell Week.

Miss L'Ecuyer is replacing Miss Backus, who is on a leave of absence, as the Alpha Deltas' adviser.

"... But Not Forgotten," the title of the Agos' memorable assembly, may well be the theme for their activities of the entire year. As in all things the members of Alpha Kappa Phi worked together to make their unusual program an undeniable success.

A year of strong memories with variations on old traditions. . . . The dessert hour for the freshmen. . . . The "salty" Rush Party with the would-be sailors manning the U.S.S. *Agonian*. . . . Then, the Pledge Banquet—a number one memory—followed by the equally unforgettable hazing of Hell Week. . . . The passing of pledgees into full-fledged members at formal initiation. . . . The winning of the symbolic keys and that grand feeling of togetherness. . . . Smiles and tears mixed with the fond Goodbyes at the Senior Farewell Banquet at the close of the year.

And so one more link has been forged into our chain of memories.

Silver pins, colored lights, make-up—these symbols are immediately recognized. Our Footlights Club has successfully carried on for a number of years. Its main objective is to provide good entertainment for the whole College.

Annually the club presents a drama and supervises the production of the Christmas Pageant. Among the successes in the past have been "Saturday's Children," "Brief Music," "Cry Havoc," and "Nine Girls." This year, with men added to the cast, the club presented "The Rich, Full Life."

Not only do the members of the Footlights Club learn techniques before the footlights, but they get insight into backstage life. Make-up, sound effects, and set-building are part of an actor's training.

Mr. Hartman, the director, may well be proud of the effort and success of the Footlights Club, and its place on campus as part of an exciting college life.

The heavens—which everyone sees and would like to know—and a telescope—and the inevitable. Back in '35, shortly after the school purchased a portable telescope, the Astronomy Club was organized by Dr. Rusterholtz and eager students. Since then, the interest of the members and the influence of the club have reached high and wide “as the heavens.” A really grand opportunity was offered the star gazers to spend the night observing the sky from the top of White Face Mountain.

This year the efforts of the group were directed toward the presentation of a study-exhibit of the “Circum-polar Constellations.” Such exhibits and assembly programs have delighted not only the college “intelligentsia,” but have been entertainment for the community and for neighboring educational institutions as well. Through the year the Astronomy Club furnishes speakers and arranges displays in the form of astronomical charts and exhibits for other organizations, entertains guest speakers, and has a very “real” and interesting program for itself and outside groups.

Astronomers don’t “reach for the stars”; the stars are in their grasp—and the wonderment (with the telescope’s convenience)—“I don’t see a thing—just sky—where? Oh-h-h—!”

You have to hand it to the Supper Clubbers—they buy it, prepare it, serve it, and eat it.

Dishes of different countries are chosen monthly, and following the suppers discussions are held, during which the clubbers learn more about distant lands.

The big activity of the year is the All-College Supper which is planned by the members of the club, but made a popular tradition by the participation of the whole College.

Dance Club in the past has meant black suits, hard work, good music and an annual stage assembly. Under the able direction of Miss Backus, the Dance Club met once a week for work on original routines. In the spring, an assembly was staged, presenting varied dances around a central theme.

Next year the club is looking forward to having Miss Backus with them again. In the meantime, Dance Club will carry on.

The purchase of Twin Valleys has made it possible for students interested in outdoor life to seize boots and hatchets and hit the trail. The result of this interest has been the formation of a new club, Tiwa-Ya-Ee-Tipi. Its aims—to aid in the development of Twin Valleys and to provide camping experiences for its members.

P. S. T. C. is privileged in the numerous types of out-of-door activity sponsored by its Outing Club. The students enjoy bike rides, hikes, and mountain climbs. This year found the "fresh-air kids" taking off for a Scotsman's holiday—on foot (!) around Cumberland Head, climbing mountains . . . not mole hills . . . biking, skiing . . . at Placid and the ever-popular Rand Hill . . . skating and getting together whenever possible for a sporting good time.

This year the Cadet Corps was changed to the department of Nurse-Teacher Education. It carries the regular cadet nurse courses with affiliation with various hospitals in New York State. After completion of the three years' nursing training, the girls come back to P. S. T. C. for a fourth year which graduates them with a degree.

Their club was organized on a professional basis to correspond to the Elementary and Home Economics Clubs.

The Elementary Club provides many worthwhile activities for students interested in elementary education. The club in the past has brought to the students persons well qualified to speak about teaching children. A workshop held this year gave the students an opportunity to experiment with clay, fingerpaints, and other art materials. By working or just plain relaxing together the girls become better acquainted with one another and with their chosen profession.

# HOME ECONOMICS CLUB

This year the Home Economics Club members have been very active and have made their club known in and out of the college. The freshmen were given a formal initiation into the club in the fall. The next important event was the sending of Christmas gifts to people of war-torn countries through the World-Wide Christmas Festival.

Christmas week found the Home Economics Club sponsoring the Annual Tea of the holiday season over a period of two days.

The club gained much of educational value this year. There were state and province meetings to find out what clubs in other schools and colleges were doing. The club members donated money to the Foreign Fellowship Fund. The organization will ever grow through such willing cooperation and fine leadership.

The Music Department clubs afford many opportunities for music lovers to participate in music and to further their appreciation. These organizations foster enjoyment as well as furthering musical knowledge.

Vocalists and instrumentalists combined in melodic harmony to present the musical festivities of the year, conducted and arranged by Maurice T. Iverson, music supervisor.

The Glee Club, Orchestra and Vocal Ensemble participated in the traditional activities of Christmas week. Spring and Easter gave way to the annual assembly program presented by the Orchestra and Glee Club. They combined to act as hosts to Music Week participants. The year ended with the Orchestra and vocal groups adding a musical atmosphere to class day and commencement.

With the return of veterans to P. S. T. C., the Athletic Board has found plenty to do. You have all seen and used the new equipment purchased this year, and have enjoyed the return of intercollegiate basketball.

The Board, with Dr. Redcay as director, and composed of representatives from each class, has brought us an exciting year in the field of sports.

*Mr. Edward Wiley*

After a lapse of a few years in intercollegiate basketball, P. S. T. C. came back with a hard-fighting, though not numerous, squad. Although the team of 1946-47 cannot be considered a great one, it won fame and glory playing as an underdog throughout the season while meeting large squads from various parts of New York, Massachusetts, Vermont, and Canada.

Volleyball has aided in expanding the athletic program this year. Selecting men from intramural teams, an all-star team was formed and it played a number of local teams, such as those representing Champlain College and the Y. M. C. A. Business Men's Group. The results were outstanding, for the all-star team won more than its share of the engagements.

There have been some changes made. Both Miss Backus and the name Yale-Princeton have gone to be replaced by Mrs. Wiley (yes, Doc's wife) and a new name—Cardinal-White—for our traditional annual competition. For this game, nineteen outstanding players from the teams which compete during the season are chosen to participate.

This year's White team topped the Cardinals by a score of 33 to 30. As the girls, in their new red and white uniforms, passed, dribbled and shot, the spectators followed their respective cheerleaders with many yells and screams.

# CHEERLEADERS

*Joyce Jolley, Patricia DePew, June Hunt, Verda House, Marlea Fox, Arabelle Dewey  
Catherine Cook (absent)*

A flare of white—a speck of red—the letters "P.S.T.C."—new cheers—a group of peppy girls—these constitute our 1946-47 cheerleaders.

Last year, Ouida Hauft and her mates brought back our school spirit with a bound. Now, following in their footsteps, we have Arabelle Dewey and her crew—a snappy-looking group, we all admit.

## WOMEN'S VOLLEYBALL

Pass it up!—Spike it!—Familiar words to all who have ever played volleyball. After a highly competitive interclass season in which the Juniors were the victors, two honor teams—the Red and the White—were chosen.

Doris Brown's Red team won two games out of three by a score of 16 to 14, 15 to 3 from the White team captained by Jane Paterson.

## EDITOR'S NOTE

A mere "thank you" is not sufficient to show my appreciation to this year's CARDINAL Staff for the grand work that they have done. But, "Thank you," anyway—to the real backbone of this book.

## ACKNOWLEDGMENTS

The Editors and Staff of the 1947 CARDINAL wish to express their most sincere thanks to our advertisers and to all others without whom this book would not have been possible. We are especially grateful to Dr. H. Otis Noyes and Dr. Earl Horlon for working with us and for contributing so much of their time and help in making their yearbook a success.
